HSBC voted No 1 in Cash Management in Sri Lanka by Euromoney

HSBC has been voted as the No 1 Cash Management Provider in Sri Lanka in Euromoney's Cash Management Survey 2025, an independent survey based on votes by corporate clients.

The Bank provides a wide range of cash management solutions in Sri Lanka serving corporate clients, that include leading local conglomerates, global multinationals subsidiaries, mid-market enterprises, financial institution groups, and non-banking financial institutions.

"We are proud to be voted the best cash management provider in Sri Lanka for the second consecutive year. The recognition is not just a testament to the trust our clients place on us, but also the insights and partnerships our team brings to support their ambitions to grow and meet their evolving financial needs." said Mark Surgenor, CEO of HSBC Sri Lanka.

With over 130 years of history, HSBC has connected Sri Lanka to the world through its global footprint and connectivity and continues to support its Corporate and Institutional Banking clients by driving two-way trade and investment flows that strengthen the country's economic growth.

HSBC was also voted as the #1 Overall Cash Management Provider for Large Corporates for a third time, Globally and #1 domestic Cash Management Provider across 13 countries in Asia, Europe, and the Americas by 29,500 treasury practitioners worldwide who contributed to survey.

HSBC's strength and stability are further reflected through the awards won earlier this year. HSBC Sri Lanka was awarded the Best International Bank in Sri Lanka for 2025 by Euromoney and Finance Asia, Best Service Provider for Cash Management in Sri Lanka by The Asset Triple A Treasurise Awards 2025, Best Trade Finance Bank, and #1 in Client Service and Products, and Technology in Euromoney's Trade Finance Survey 2025.
